Join us for a free After School Club in November with artist Crochet Cookey-Gam. You will learn how to create a protective piece of headwear, a balaclava, stitching together traditional techniques and sustainable methods to find ways of making something that is of relevance today. Together students will learn how to design, construct, pattern make and customise a balaclava to their needs. Materials will be sourced locally too.

**TUESDAYS  
14.11-05.12  
5 - 7:30 PM**
